Report Number: March 31 – April 6th

Reporting Week: 3/31/2025 - 4/06/2025

Summary of work completed in prior week:

- Schedule sort is complete; classes entered are sorted by day and time and separated out by day of the week
- Worked on getting the display node to work that shows a text panel that tells you about the location for specifically 152C Russ
- Worked on the dropdown functionality and getting it to actually click on an option and select it in the text box which works now
- Continued work on SU first floor model

Summary of work planned for next week:

- UI for schedule display
- Formatting of schedule input for path generation
- Fixing bugs with display node and searching dropdown
- Need to work on making rest of display nodes
- Need to make dropdown functionality be formatted correctly when resizing window
- Finish SU first floor
