Team Name: (GenericCampusTourCompany) Jimmie Cox, Nick Heyart, and Kristin Johnson
Report Number: Feb 10 – Feb 16
Reporting Week: 2/10/2025 - 2/16/2025

Summary of work completed in prior week:
- **We all met together for our weekly meeting on 2/11/2025**
- **For our daily meeting, we mainly focused on discussing the requirements presentation and trying to get that completed. We finished most of it but not all.**
- **The rest of the meeting we just worked on general parts of the project including rescaling and stuff like that.**
- **Later in the week, we were able to finish things like rescaling and camera movement.**
- **We met again Sunday night 2/16/2025**
- **At this meeting we fully finished the requirements presentation and got it finished.**
- **Implemented camera smoothing**
- **Made floors above camera fade out to prevent clipping**
- **Worked on automatically applying scripts/materials to imported meshes**

Summary of work planned for next week:

- **Next week's meeting we plan on continuing to show contributions to the project but also working on the implementation of the one location the one location requirement as it's due date is coming up on the midterm week.**
- **Worked on the third requirement testing.**
- **Start work on room indexing system**

Open issues and action plan to resolve them:
- **Floor fading / click detection disabling relies on a script and material attached to each rendered/collision mesh.**
  - o **Need to automate this process, since it needs to be redone each time we export a new version of the map**

Project management summary

Team member	Tasks completed	Hours worked for week	Total hours
Jimmie Cox	Finally got resizing finished and partially worked on getting the building rooms and names organized	6	24
Nick Heyart	Implemented camera smoothing and floor fade-out	5	27

Kristin Johnson	Read documentation (a lot of documentation), resolved most environment issues from last week, attempted small input fix from keyboard to text box	6	24
